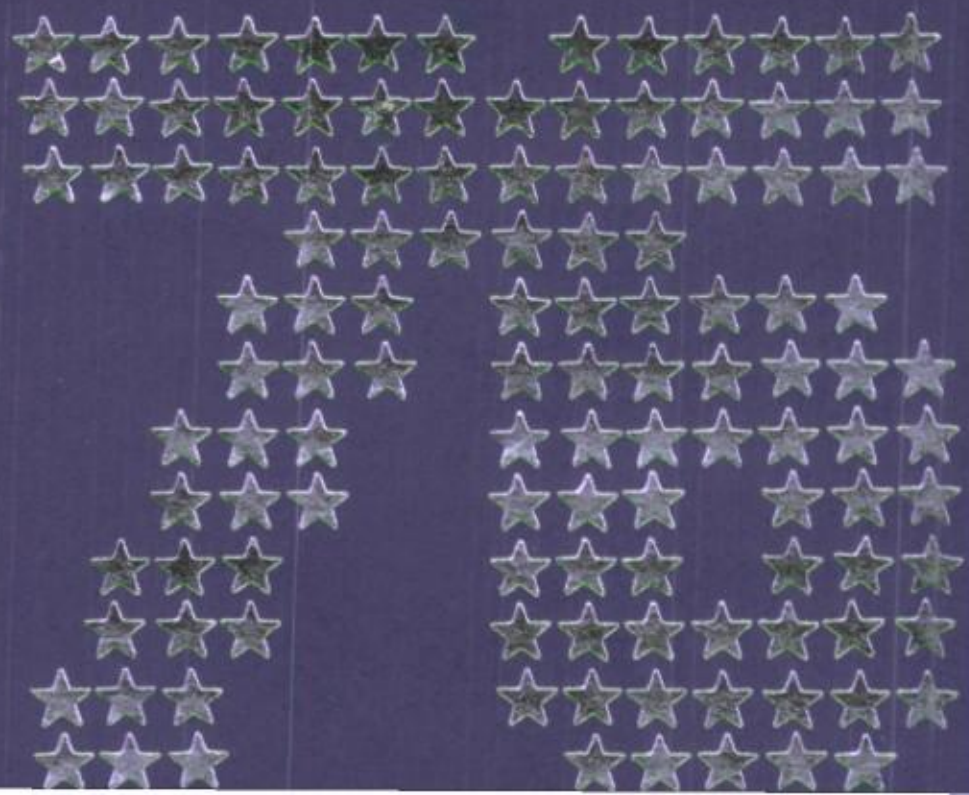
PATRIOT '76



THEME: A lot is said of the "Spirit of '76." There could be no one definition sufficient to describe the magnitude of effort put forth by our forefathers to achieve their goals. Our ancestors sought to bring about the refinement of a rural America. Through their endeavors we have a Constitution unique in endurance and content, respected by the world's political leaders.

As the past was in the hands of our forefathers, so now is the future in our hands. Their task was not an easy one, yet their success is displayed by our motto "E Pluribus Unum," meaning one out of many. 1

Maranatha has a place in this future, a responsibility which can be summarized by the words on our coinage, "In God We Trust."

DEDICATION

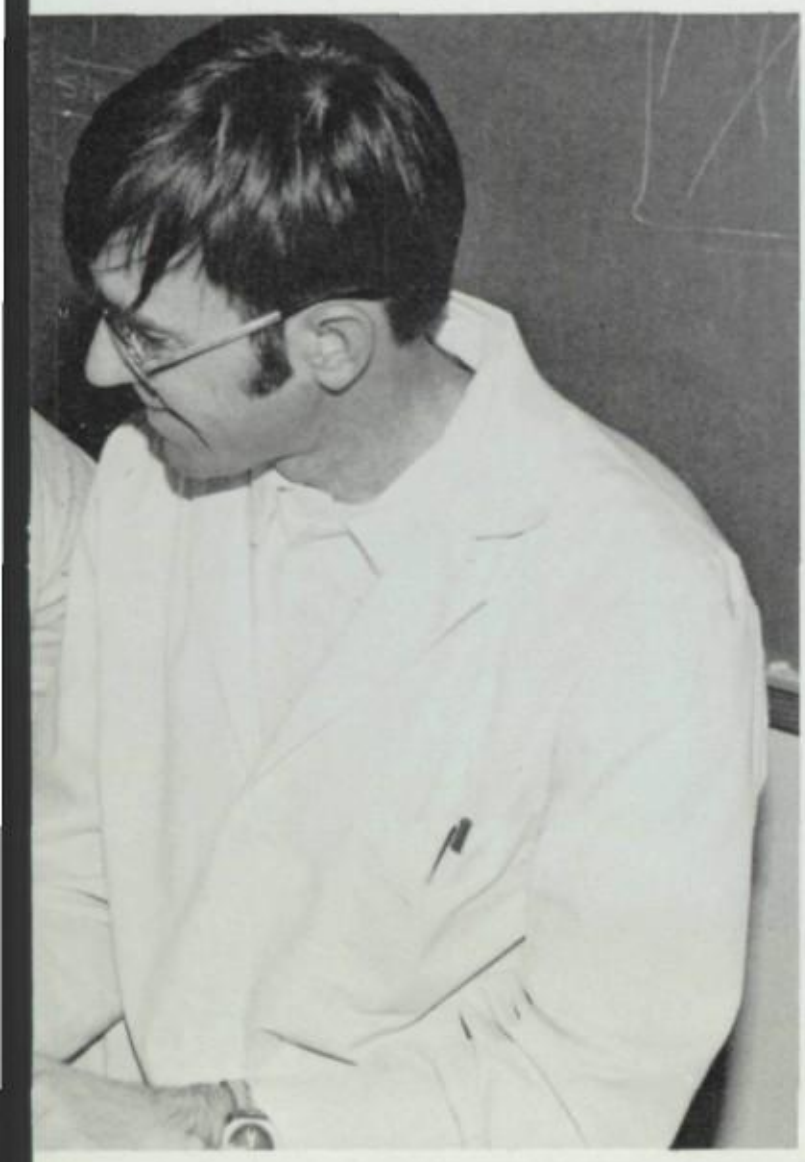
The yearbook staff of 1975-1976 proudly dedicates this yearbook to Mr. Albert Baeder.

Mr. Baeder is the head of the Science Department, teaching physiology, chemistry, and math analysis. He moonlights as Senior Class sponsor, director of the P.R. Team, and advisor to the Student Council.

He has a Bible diploma from Prairie Bible Institute in Canada, and a B.S. from Cascade College in Oregon. Other added qualities of this marvelous teacher include flat feet, and a reported I.Q. of 77.

Mr. Baeder has definitely been an asset to Maranatha, He is an embodiment of the Christian ideals held in esteem by each of us.

We praise God for this ernest and diligent teacher!



PRINCIPAL
MR. BILL MC KINLEY

Faculty-Varsity Game

Welcomes a student.

Thinking.

The year 1976 is a special year in United States history as we celebrate the 200th anniversary of our nation's birth. A sense of patriotic pride, which has been absent in recent years, has returned. People are being continuously reminded that even though we are a nation, made up of imperfect people, we still enjoy greater freedom and material blessing than any other nation in history. As Christians, we should especially thank God for this great heritage.

A major theme for this year nationally as well as the theme of this yearbook, is the SPIRIT OF '76. This patriotic spirit of two centuries ago speaks to me of sacrifice, dedication, loyalty and responsibility. These are certainly qualities which need to re-emphasis at this point in our national history. It is the purpose of Maranatha High School to instill these qualities in each student, so that the Minutemen of this generation will show the same quality of citizenship as the Minutemen of the Revolutionary Era.

We must not forget that there is another Spirit who also demands our sacrifice, dedication, loyalty and responsibility, and that is the Spirit of God. Our devotion to God should far exceed our devotion to our country. The highest goal of Maranatha is to produce students whose love and loyalty to God takes precedent over all else in life.

The Spirit of God and the Spirit of '76--both should have a place in our lives. As we place them in the right perspective and keep our priorities proper, God will bless both us and our country.

Mr. Ken Cronquist

VICE PRINCIPAL

The job of Vice Principal is a very important one at Maranatha. Besides assisting the Principal at any time when needed and assuming his position when he is absent, the Vice Principal is also in charge of the counselling program and helps the Principal with discipline problems.

Mr. Ken Cronquist, who came to Maranatha this year from Whittier Christian, has been able to take care of all these responsibilities quite well. Besides the responsibilities mentioned, Mr. Cronquist also finds time to teach two Bible classes and assist with the track program.

Mr. Cronquist, who's wife's name is Carlene, has a B.S. degree from Philadelphia College of the Bible, and an M.A. degree from Talbot Theological Seminary. He is nearing completion of an M.A. degree from Biola College.

Maranatha is very privileged to have a Vice Principal of Mr. Cronquist's qualities and capabilities.

BOARD OF DIRECTORS

Maranatha's Board of Directors consists of twelve Christian men and women who actually, legally, own and operate Maranatha High School. The Principal is directly responsible to the Board for the operation of Maranatha according to the guidelines they lay down, and the teachers are responsible to the Board through the principal.

The Board of Directors, made up of men and women from all walks of life-businessmen, ministers, doctors, contractors and others, work diligently at their monthly meetings and in-between times to keep Maranatha operating smoothly on a sound financial basis.

Without a Board of Directors there would be no Maranatha High School and we thank them for their un-tiring effort to the cause of Christian education.

Early in the 1976 season, Maranatha's Varsity Baseball Team had a record of 5 wins, 3 losses and 1 tie and were working hard to capture their second Academy League championship and third trip to the C.I.F. Play-offs.

It would not be easy since they were playing their toughest schedule ever, but with a victory over Duarte High School "under their belts," they were confident that this could again be the year for the "red and blue."

The team worked hard during the season and their main purpose was to glorify Christ on the baseball diamond.

GIRLS SOFTBALL

The girls softball team is another phase of women's sports at Maranatha. This year softball practices conflicted with basketball as the basketball team went to the C.I.F. play-offs. Softball is the most popular of the girls' sports with the largest number of girls attending the tryouts.

As of this deadline, the softball tryouts had not been held and the season had not begun, but judging from last year, Mrs. Diana Fagan, coach, thinks she will have a good team. Coach Fagan says that 13 is her ideal team size, but admits she will take more if talents warrant.

This year she sees much ability, both old and new, and says optimistically, "The possibilities are endless."

The "Coach"

"Yes, I'll play softball."

"I'll think it over."

Daydreaming!

The spirit of creativity flourishes within Maranatha, covering many areas. Drama is an outlet for this spark, in which people have the opportunity to visually portray the dreams of another before an audience. Thank God for the freedom that allows us to share our dreams.

Cast: Craig Scoon, Sheri Monsma, Esther Verme, Tyler Cummings, Patty Jones, Joanne Couli, Sarah Miller, Kevin Short, Mr. Stearns, Lisa Davis, Margaret Davis, John Cummings, Gary Winberg and Caroline Harmsen.

The Messenger

Editor: Paul Feely

Advisor:
Mr. Robert Kirby

The purpose of a messenger is to relay a message. Our school paper relays the news of the school, by photographs and writing, and should strive for a well-balanced message with a spiritual emphasis. But first and foremost, let it be obvious to all who read THE MESSENGER that Jesus Christ is our message.

PARENT TEACHER FELLOWSHIP

Officers-TOP ROW (L TO R): Douglas Delahooke, Robert Welch, Frank Kuchenski, Frances Angerhofer, Barbara Short. BOTTOM (L TO R): Jane Delahooke, Dorothy Suprunuk, Carolyn Kuchenski, Dottie Atkinson, Donna Worrell (President).

The Constitution of the Maranatha P.T.F. states its purpose in the following manner: "The Parent-Teacher Fellowship is a working organization of parents and teachers to co-operate with the school in developing an understanding between the teachers and parents in their mutual concern for the welfare of the students enrolled in the school.

The P.T.F. is a parent-faculty endorsement of the students and their acitvities. Its meetings are carried out in orderly fashion following standard Parliamentary procedure. Alloting funds to the various organizations and activities is one of its functions. The upkeep and improvement of school facilities are another major concern.

President Donna Worrell

BOOSTER CLUB

The Maranatha Booster Club is an organization whose purpose is to provide for parental involvement in school athletic acitvities. The parents elect officers during their three or four meetings per year, and discuss the needs of the various coaches and teams.

The Booster Club raises money for equipment; its members assist in time-keeping at football games and work on the sidelines during all the sports.

Opening the school season is the annual "Hamburger Kick-Off Dinner" at school, with the Sports Award Banquet a fitting conclusion to the end of the year.

President William Howell

SPECIAL AWARDS

Kent Howell

Kent was selected last year to attend the American Legion Boys' State in Sacramento in June. The Anthony L. Oneto Post 812 (U. S. Imm. and Natz. Service) of Los Angeles sponsored him. The post payed all his expenses with a little spending money. He stayed at the Cal State University in Sacramento.

Kelly Worrell

Kelly was chosen by the Daughters of the American Revolution to represent Maranatha. This service organization has a scholarship fund. She was selected by the teachers and then asked to take a test on historical events. She will compete with other representatives from this area.

Gary Murakami

Gary was chosen from our school to write a 100-word essay for the Bank of America Award, a scholarship. If he wins he will then compete in state competition for a larger scholarship.

Kathi Scoon

Kathi was selected the Betty Crocker Family Leader of Tomorrow of Maranatha. She was awarded a certificate and placed in state competition for California's Betty Crocker Homemaker of Tomorrow, and a possibility of up to $5,000 in scholarships. She won by taking a test of multiple-choice and short essays on family psychology, homemaking skill, and nutrition.

THE TWENTY-THIRD PSALM

The Twenty-third Psalm was composed by David, a young shepherd boy in Biblical times, who grew up to become king of his people. David, a gifted singer and harpist, wrote many of the Psalms, of which this is probably the best known and loved.

The Lord is my shepherd; I shall not want.
He maketh me to lie down in green pastures:
He leadeth me beside the still waters.
He restoreth my soul:
He leadeth me in the paths of righteousness for
his name sake.
Yea, though I walk through the valley of the
shadow of death,
I will fear no evil: for thou art with me;
Thy rod and thy staff they comfort me.
Thou preparest a table before me in the presence
of mine enemies:
Thou anointest my head with oil; my cup runneth
over.
Surely goodness and mercy shall follow me all the
days of my life:
And I will dwell in the house of the Lord forever.

Someday, my sons, I hope you know
The joy of watching small boys grow.
Boys whose laughter makes you warm,
Whose antics run quite true to form.
Whose pants have patches on the knees,
Who climbs the tallest of the trees.
Boys who shelter all stray cats,
Who harbors dogs, and disdains hats.
Whose arms steal round your neck at night,
Whose hands are seldom ever white.
Who gives keen purpose to your life,
Who compensates for each day's strife.
All this I wish so you may know
The joys we had in watching twins grow.
